

Swinburne Sarawak Research Education 2022

Date 2022	Time	Categories	Titles	Speakers/Presenters	Chair	Target Group	To support participants in
19 Jan Week 3	1.30pm- 2.30pm	Academic Writing	Publishing Literature Review and Avoiding Manuscript Rejection	Prof Jaka Sunarso	Dr Bing Shen How	Staff & HDR students	preparing the review and research manuscripts for publication
21 Jan Week 3	3.30pm- 4.30pm	Research Methods & Research Practices	What is research & how to develop research objectives & scopes	Dr Choo Chung Siung	Dr Daniel Looi	New HDR students	understanding methods in carrying out research
9 Feb Week 2	1.00pm- 2.00pm	Supervision	Supervisors' conversations 1- Suggested topic: <i>What defines a good supervisor?</i>	Dr. Daniel Looi Ting Wee	-	Supervisors	sharing of supervision experiences
16 Feb Week 3	1.30pm- 3.00pm	Guest Lectures	Industry-University-Community (IUC) Connect Series1	Mr JW Sam SOCOE	John Hii Moderator		
23 Feb Week 4	1.00pm- 2.00pm		SUTS and commercialisation direction	Prof Wallace Wong			
25 Feb Week 4	3.30pm- 4.30pm	Academic Writing	Planning and Writing a good research proposal for milestone reviews	Dr Mark Tee	Dr Joel Than	HDR student	developing effective research proposal and offer insights regarding to the milestone review preparation
2 Mar Week 1	1.00pm- 2.00pm	Communication & Presentation	Pre Conf 1 How to present a paper in conferences?	Hugh Leong	Dr Xavier Chee	HDR student	effective communication on the arguments and evidence, persuasive and interesting
9 Mar Week 2	1.00pm- 1.30pm	Research Management	Title 1: Structured weekly e-Learning Journals: a tool of intervention and data collection on students' academic self-efficacy	Dr Fung Chong Yuan			
9 Mar Week 2	1.30pm- 2.00pm	Career Development	Title 2: Assessments of the impacts of low-end high immersion virtual reality head-mounted display towards deep learning in fluid mechanics	Dr Chong Kok Hing			

Date 2022	Time	Categories	Titles	Speakers/Presenters	Chair	Target Group	To support participants in
16 Mar Week 3	9.00am- 12.30pm	Candidature Management	HDR INDUCTION 1	SOR	Dr How Bing Shen	New HDR students	navigating research policies and procedures and establishing expectations as HDR candidates
16 Mar Week 3	1.30pm- 2.30pm	Research Methods & Research Practices	Navigating academic conferences for HDRs and ECRs	Dr Bertha Chin (CER Activity)	Jocelyn Sim	Staff & HDR students	Sharing insights on conferences for HDRs and ECRs
16 Mar Week 3	3.00pm- 4.30pm	Career Development	Broadening Skillset Series 1- Suggested topic: <i>P-graph for process network synthesis</i>	Mr. Lim Juin Yau Environmental Management and System Engineering Lab (EMSEL)	Dr. How Bing Shen	Staff & HDR students	introduce established research tools for students/staff
17 Mar Week3	2.00pm- 3.00pm	Research Methods & Research Practices	Searching Research Literature Effectively & Understanding Swinburne Harvard Citations	Roswita Rawi Dollyrissia	Roswita Rawi	New HDR students	finding and managing records of research-related literature
18 Mar Week3	2.00pm- 3.00pm	Research Methods & Research Practices	Manage Reference with Endnote	Dollyrissia Khadijah Morshidi	Roswita Rawi	New HDR students	managing the references with Endnote
23 Mar Week 4	1.00pm- 2.00pm	Supervision	Supervisors' conversations 2 Suggested topic: <i>Setting the Correct Scene: Any Essential Rules?</i>	Prof Moritz Mueller	-	Supervisors	sharing of supervision experiences
6 Apr Week 1	1.00pm- 2.00pm	Communication & Presentation	Pre Conf 2 Tips for presenting a Scientific Poster at a Conference	Dr. JJ Chew	Dr Hudyjaya SiswoyoJo	HDR students	giving an effective poster presentation
13 Apr Week 2	1.00pm- 2.00pm	Grant Opportunity	Internal Grant Information Pack and Grants and Contracts Management in Swinburne Sarawak	Ms Kelly Yeo	Prof Lau Bee Theng	Staff	to refresh about the available internal grant, and their respective terms and condition. Some do's and don'ts
20 Apr Week 3	1.30pm- 3.00pm	Guest Lectures	Industry-University-Community (IUC) Talk Series 2	Speaker to be invited by Center of Digital Futures (CDF)	Prof. Patrick Then		
20 Apr Week 3	3.30pm- 4.30pm	Career Development	Broadening Skillset Series 2- Suggested topic: <i>Why Phytol and how to begin?</i>	Suggested speaker: Hephi	Dr How Bing Shen	Staff & HDR students	introduce established research tools for students/staff

Date 2022	Time	Categories	Titles	Speakers/Presenters	Chair	Target Group	To support participants in
27 Apr Week 4	1.00pm- 2.00pm	Writing	Pre Conf 3 Technical Writing	A/P Basil Wong	Dr Ngie Hing Wong	HDR Students	DOs and DONTs, and techniques for writing good manuscripts
11 May Week 2	1.00pm- 2.00pm	Writing	Pre Conf 4 A Good Manuscript	Dr How Bing Shen	Dr Hadi Nabipour	HDR Student	developing technical details and arguments in good manuscripts
May 13 Week 2	1.00pm- 2.00pm	Research Management	Insights of MyGrant platform for FRGS submission	Kelly Yeo		Staff (ECR)	Understanding the sections incorporated in MyGrant platform
18 May Week 3	2.30pm- 3.30pm	Ethics & Integrity	Pre Conf 5 Research integrity and ethics	James Loi Chun Han	Dr Bertha Chin	HDR Students	Exposing students with research integrity and ethics
18 May Week 3	3.30pm- 4.30pm	Supervision	Managing expectation between supervisors and Students	Prof Lim Weng Marc	Dr Rodney Lim	HDR students	gaining clarity on the different expectations that they will have to manage with their supervisors and how they can do that intelligently
25 May Week 4	1.00pm- 2.00pm	Communication and Presentation	Social media & enhancing your academic profile	Dr Bertha Chin (CER Activity)	Prof Ida Fatimawati	Staff	exploring and maintaining a good social media profile
8 Jun Week 2	1.00pm- 2.00pm	Research Method	Pre Conf 6 How to find journal indexing & indexed conference	Dr Stanley Nwobodo	Dr. Soon Kok Heng	Staff & HDR students	exploring the journal indexing and indexed conferences
15 Jun Week 3	2.00pm- 3.00pm	Supervision	Supervisors' conversations 3- Suggested topic: <i>Managing Post-graduate's Stress</i>	Dr Almon Chai	-	Supervisors	sharing of supervision experiences
29 Jun Week 5	4.30pm- 5.30pm	Career Development	Broadening Skillset Series 3- Suggested topic: <i>Machine learning for circularity and Sustainable industries</i>	Suggested speaker: Dr. Teng Sin Yong (Radboud University)	Dr How Bing Shen	Staff & HDR students	introduce established research tools for students/staff
6 Jul Week 1	1.00pm- 2.00pm	Research Method	Pre Conf 7 Data collection and data representations	Prof Moritz Mueller	Dr. Daniel Tan LT	HDR Students	presenting data in journal article

Date 2022	Time	Categories	Titles	Speakers/Presenters	Chair	Target Group	To support participants in
6 Jul Week 1	1.00pm- 2.00pm	Communication and Presentation	Networking and Career Trajectory in Academia	Prof Ida Fatimawati	Dr Melinda Kong	Staff & HDR students	exploring the rules of engagement and the concept of reciprocity in networking
13 Jul Week 2	1.00pm- 2.00pm	Supervision	Supervisors' conversations 4- Suggested topic: <i>Role of supervisor in extending student's skills</i>	Dr Hwang Siaw San	-	Staff	sharing of supervision experiences
20 Jul Week 3	1:30pm- 2:30pm	Communication & Presentation	Pre Conf 8 How to improve public speaking	Dr. Christina Yin	Dr. Kelvin Yong	HDR Students	Sharing key insights on dos and dents or tips to improve public speaking
20 Jul Week 3	3.00pm- 4.30pm	Guest Lectures	Industry-University-Community (IUC) Talk Series 3	Speaker to be invited by Center of Sustainable Technologies (CST)	Prof. Jaka Sunarso		
27 Jul Week 4	1.00pm- 2.00pm	Research Management	NTRO - Insights from Creative Works and RMON	Augustus Raymond Segar (CER Activity)	Prof Ida Fatimawati	Staff	exploring on claims related to creative works in RMON
Thu & Fri Week 2			3 rd SSPRC				providing opportunity for the postgraduates to: <ul style="list-style-type: none"> • present a poster or a full paper; • develop a manuscript based on the full paper, which can later submit to a journal of their choice; • learn from other presenters' good practices; and • network and learn what other HDR students are doing.
17 Aug Week 3	2.00pm- 3.00pm	Career Development	Broadening Skillset Series 4- Suggested topic: <i>Potential of Artificial Neural Network</i>	Suggested speaker: Dr. Kelvin Kuok King Kuok	Dr How Bing Shen	Staff & HDR students	introduce established research tools for students/staff
17 Aug Week 3	3.30pm- 4.30pm	Publication	Book proposals and contracts: An Academic's Perspective	Dr Bertha Chin (CER activity)	Ms Ally Lee	Staff	navigating through signing book contract procedures

Date 2022	Time	Categories	Titles	Speakers/Presenters	Chair	Target Group	To support participants in
24 Aug Week 4	1.00pm- 2.00pm	Publications	Publishing in High Impact Journals	Tentative Planning	Tentative Planning	Staff & HDR students	improving the researcher profiles
14 Sep Week 2	1.00pm- 2.00pm	Research Management	Networking session to develop interdisciplinary proposals	Tentative Planning	-	Staff	Developing interdisciplinary proposals
21 Sep Week 3	9.00am- 12.30pm	Candidature Management	HDR INDUCTION 2	SOR	Dr How Bing Shen	HDR students	understanding the research policies and procedures and establishing expectations as HDR candidates
21 Sep Week 3	2.00pm- 3.00pm	Research Methods & Research Practices	Exploring themes, cases and relationships: An introduction to Nvivo Plus	Hugh Leong (CER Activity)	Fung Chong Yuan	Staff & HDR students	Introduction to NVIVO
21 Sep Week 3	3.30pm- 4.30pm	Career Development	Broadening Skillset Series 5- Suggested topic: <i>Monte-Carlo Simulation: Concept to Application</i>	Tentative Planning	Tentative Planning	Staff & HDR students	introduce established research tools for students/staff
22 Sep	Part of induction	Research Methods & Research Practices	Searching Research Literature Effectively & Understanding Swinburne Harvard Citations	Roswita Dolly	Roswita Dolly	New HDR Students	finding and managing records of research-related literature
23 Sep	Part of induction	Research Methods & Research Practices	Manage Reference with Endnote	Roswita Dolly	Roswita Dolly	New HDR Students	managing references with Endnote
12 Oct Week 2	1.00pm- 2.00pm	Publication	Suggest topic: Dealing with reviewer's comments	Tentative Planning	Tentative Planning	Staff & HDR students	understanding the review process and methods to response the feedback
19 Oct Week 3	2.00pm- 3.00pm	Ethics and Integrity	Researcher Integrity: Collaboration, Attribution & Authorship	Tentative Planning	Tentative Planning	Staff & HDR students	understating the research integrity and ethics
19 Oct Week 3	3.30pm- 4.30pm	Ethics and Integrity	Ethics Application	Tentative Planning	Tentative Planning	Staff & HDR students	understanding the general procedure of ethics application for relevant researches

Date 2022	Time	Categories	Titles	Speakers/Presenters	Chair	Target Group	To support participants in
9 Nov Week 2	1.00pm- 2.00pm	Supervision	Supervisors' conversations 5- Suggested topic: <i>Role of supervisor in publishing student's work</i>	Tentative Planning	-	Staff	Sharing supervision experiences
16 Nov Week 3	1.30pm- 2.30pm	Career Development	Develop aberth research portfolio and academic career	Tentative Planning	Tentative Planning	Staff & HDR students	planning professional and academic careers
16 Nov Week 3	3.00pm- 4.30pm	Guest Lectures	Industry-University-Community (IUC) Talk Series 4	Speaker to be invited by Business and Social Innovation Centre (BSIC)	Dr Ngui Kwang Sing		
23 Nov Week 4	1.00pm- 2.00pm	Communication & Presentation	How to design and deliver an effective research presentation	Hugh Leong (CER activity)	Chong Kok Hin	Staff	navigating through signing book contract procedures
7 Dec Week 1	1.00pm- 2.00pm	Research Management	Develop a new project from micro funds	Tentative Planning	Tentative Planning	Staff	developing small scale projects
14 Dec Week 2	1.00pm- 2.00pm	Supervision	Supervisors' conversations 6- Suggested topic: <i>Role of supervisor after student graduation: What's next?</i>	Tentative Planning	Tentative Planning	Staff	sharing of supervision experiences
21 Dec Week 3	2.00pm- 3.00pm	Publication	Convert a conference article to a journal article	Tentative Planning	Tentative Planning	Staff & HDR students	understanding the procedure to transform conference proceedings to a journal article
21 Dec Week 3	3.30pm- 4.30pm	Career Development	Broadening Skillset Series 6- Suggested topic: <i>Qualitative (social science) research methods : Multi-Criteria Decision Analysis (MCDA)</i>	Tentative Planning	Tentative Planning	Staff & HDR students	introduce established research tools for students/staff
