

2022 Courses and Pathways

Quick Guide

Making our mark everywhere we go

With a degree from Swinburne, you can go anywhere in the world.

Malaysia. Melbourne. Our graduates are spread around the globe. From start-ups to not-for-profit to multinationals, they work for some of the world's most dynamic organisations. A degree from Swinburne means you'll have the prestige of a globally renowned university paired with the confidence that comes from genuine workplace experience.

When you graduate, you'll become one of the thousands of Swinburne graduates around the world who are writing their own success stories.

That's all because a degree from Swinburne sets you up for life.

Our 2025 Vision

A young university with a long history.
A growing university with big dreams.
A university with global ambitions.

At Swinburne, people and technology work together to build a better world. With a vision to bring people and technology together to build a better world, our people are driven by a shared sense of purpose to create tomorrow's technology and the human talent required for a digital, tech-rich future.

We are committed to taking big strides and aspires for 'moon shots' rather than 'incremental steps'. Our moon shots will embolden and energise our staff, students and partners, enabling us to focus and invest in what we know can make a real difference in the world.

Our 2025 moon shots – the strategic framework

Moon shot 1: Every Swinburne learner gets a work experience

All Swinburne undergraduate learners will experience work-integrated learning and real industry experience during their degree, including internships or industry-linked projects.

Moon shot 2: Every Swinburne graduate gets a job

Swinburne's goal is for every Swinburne tertiary graduate, including our alumni, to be a job taker or a job creator in a future world of work defined by technology, innovation and entrepreneurship.

Moon shot 3: Every Swinburne partner gets a tech solution

When our partners come to us with a problem, they will receive a technology solution. Swinburne will concentrate its efforts in flagship areas where the university is a world leader and has the potential to be the industry partner of choice.

Moon shot 4: Swinburne is the prototype of global best practice

Swinburne will step up to the global stage, in research, education delivery and student recruitment. Swinburne will be the prototype of a new model of university that is fit for purpose in a digital future that is very different from the past.

The Top 10 perks of being a Swinburne Sarawak student

We think studying at Swinburne Sarawak offers one of the best uni experiences. Sounds bias? Let us tell you why.

1 Australian Education at 1/3 Tuition Fee.

You'll pay only 1/3 the tuition fee as a Swinburne Sarawak student yet receive the same Australian education and testamur. You also have the option to start your studies in Kuching and transfer to Melbourne after your first year.

2 Work Integrated Learning

With our extensive partnerships with leading global organisations, you'll experience work integrated learning and real industry experience during your time with us.

3 Location, Location, Location

The Sarawak campus is centrally located with easy access to lifestyle, healthcare, transport and commercial hubs, making it an exciting place for university life. Complemented by the vast, natural beauty of Borneo, Kuching is a rapidly growing cosmopolitan city that still maintains its cultural identity and uniqueness.

4 Students From More Than 45 Countries

Swinburne Sarawak is home to 3,500 students from more than 45 countries. This diversity encourages our students to appreciate cultural differences while gaining insights into different life perspectives.

5 Cheap Eats

Kuching offers a wide selection of international and halal cuisine, ranging from the simplest meal to the most satisfyingly filling. With major shopping malls and commercial areas just a walking distance from the campus, you'll be spoiled for choice.

6 Adobe Creative Cloud. 24/7

This means unfettered access to over 20 apps including Photoshop, Lightroom, InDesign and more. Before you know it, you'll be making 3D animations, building webpages and apps! Access these from any of your devices, and yes, you can use them for your personal projects too! All this, in the name of digital literacy. All hail digital literacy, we say.

7 You'll Find Your People

From basketball to frisbee, cycling to rowing, Swinburne Sarawak boasts a diverse array of clubs and societies. Whatever your passion, there's probably a club for it. Can't see one for you? Create it!

8 Feeling Safe, Day Or Night

We want you to feel safe when you're on campus, whether you're at an early-morning tutorial or studying late at night. Our Security Officers patrol the campus day and night. Identifiable by their uniforms, they can accompany you anywhere on or around the campus if you need them to.

9 Advice Whenever You Need It

Whether you need counselling on a problem or financial advice to improve your money habits, Swinburne students have access to a range of services and advice. Got questions about your visa? Looking for some advice on accommodation? We're here to help.

10 Be A Job Taker or Job Creator

We're all about job readiness. We'll make you a job taker or job creator in a world where work is defined by technology, innovation and entrepreneurship. This is proven with our graduate employability rate consistently topping 93% and JobStreet.com's recognition of Swinburne being one of Malaysia's Top 10 Preferred Private Universities by JobStreet.com.

Life In Kuching

Swinburne's Sarawak campus is located in Kuching, one of Southeast Asia's most liveable cities.

Kuching is one of the most affordable Malaysian cities in which to study. A multicultural city, the locals are welcoming, and friendly, offering students a real sense of community. The many international festivals held annually, and its proximity to nature offers more than just high-quality Australian education. Its connectivity to the rest of the world also ensures you're never far from a quick weekend escape from student life.

Home to over 700,000 people, Kuching is a modern, safe and affordable city that offers an unbeatable lifestyle for students.

Experience Kuching's gastronomic offerings at pocket-friendly prices

A World Recognised City for Gastronomic Adventure

With its multi-ethnic community, Kuching is home to a range of cuisines due to its unique food preparation techniques. The gastronomic adventure Kuching offers earned itself the UNESCO's recognition as among UNESCO's Creative Cities Network for food heritage and diversity.

Explore The Streets Of Kuching

Safe and friendly, Kuching is ideal for student life. There is so much for you to see and experience in and around the city, and with English being widely spoken, rest assured you'll feel right at home and will find it easy to settle in.

A safe and modern city, Kuching is ideal for student life

Shopping conveniences is just a short drive away

Enjoy The Great Outdoors

Go rock climbing at Fairy Cave, a good one-hour drive from the city. Or if you're looking to experience some primary jungle without having to go into the interiors, join one of the many river kayaking trips offered by a local tour company. It is an exciting way to enjoy the calm and peace of the rainforest.

Convenience At Your Doorstep

Swinburne's 16.5-acre Sarawak campus is just a 10-minute drive to the city centre, even lesser from the airport. Surrounded by commercial and residential areas, you'll have easy access to supermarkets, restaurants, banks, malls and more.

In Kuching, you'll never run out of places to see and things to do.

Swinburne Sarawak is the only international branch campus of Swinburne University of Technology in Melbourne, Australia

Swinburne’s campus in Sarawak boasts state-of-the-art learning and teaching facilities housed in contemporary, custom-designed buildings and offers courses in business, design, engineering, computing and science. As all these courses are identical to our Melbourne campuses, our degrees are awarded the same Australian testamur.

With more than 100 student-led recreational clubs, societies, and activities, on-campus life at Swinburne Sarawak is interesting, appealing, colourful and engaging.

We are multinational

Swinburne Sarawak is home to 3,500 students from over 45 countries.

We are a city campus

Kuching city centre is located 10 minutes away and we’re within the vicinity of commercial and residential areas.

We conduct world-class research

We produce innovative, high-impact and engaged research.

Campus Upgrade

With its commitment to enhance campus experience for students, Swinburne Sarawak is in its final phases of campus redevelopment. Up to 50million were invested into enhancing our research, teaching and learning laboratories, student accommodation and cafeteria among others.

These upgrades provide students with quality Australian education at affordable fees, preparing graduates for future of work with flexible and innovative teaching and learning culture.

The 350 seat Lecture Theatre was recently refurbished to offer more creative and flexible learning and teaching spaces

Our research focuses on transforming industries, shaping lives and creating positive change

Our facilities and study spaces provide students with a more profound learning experiences

Facilities and services

Our students have access to:

- a 350-seat lecture theatre
- computer and science laboratories including two 24-hour computer laboratories
- 46 engineering and research laboratories
- a library with a 24-hour study area
- a Multi-Purpose Hall that accommodates 900
- recreational facilities
- a fully-equipped gym, squash courts and basketball court

Academic life

Student Engagement, and Marketing and Student Recruitment will provide you with on-going support on matters regarding accommodation, student visa, course information and intercampus transfer, throughout your time at Swinburne.

Accommodation Services assists student with looking for affordable and secure on- and off-campus accommodation.

We hold career fairs on campus to help you explore your career options, build industry contacts and for you to communicate directly with employers. The Careers and Employability unit also helps students with:

- advice on graduate employment
- resume checking
- interview practice sessions
- career seminars and workshops.

Students will also have access to confidential counselling on matters relating to study, work, personal or relationship issues.

Student Life

The Swinburne Sarawak Student Council (SSSC) helps new students adjust to university life through various programs and activities. Every Swinburne Sarawak student is automatically a member of the council.

With more than 30 student clubs and societies, Swinburne offers many opportunities to meet new people, experience other cultures, test ideas and develop life skills.

Sports and recreation facilities available to both students and staff include:

- basketball court
- badminton court
- gym
- squash court
- multi-purpose field.

We also have student-led sports and recreational clubs for you to choose from.

Join a student club and meet like-minded people

Living costs

Living and studying in Kuching will require approximately RM30,000 per year for ongoing living costs. This is excluding tuition fees or airfares. It is also important to factor in the cost of moving to Kuching and related costs to when you are settling in. An initial budget of between RM15,000 to RM20,000 should be able to ensure you settle into your student life in Kuching comfortably.

Accommodation

Your living costs depend on your accommodation choice and lifestyle. The accommodation table below shall be taken as a guide only as individual expenses may differ.

	On-campus accommodation (room)	Off-campus accommodation (room)	Shared apartment and house
Description	Rooms come equipped with a bed and mattress, study table with shelf and chair, blinds/curtains, mirror and fan. Air-conditioning is available as an option	Renting your own unfurnished/furnished room	Sharing a rental house or apartment with other students/individuals
Advantages	<ul style="list-style-type: none"> • Close to university facilities • Meet friends • Shops, restaurants and public transport is convenient 	<ul style="list-style-type: none"> • Independent • Can choose type of rental you want 	<ul style="list-style-type: none"> • Cheaper than other options • Independent • Meet new friends
Disadvantages	<ul style="list-style-type: none"> • More expensive than other options 	<ul style="list-style-type: none"> • Must buy furniture if unfurnished • May have to find a room mate • Very difficult to break lease 	<ul style="list-style-type: none"> • Living with people who you don't know and may have a different lifestyle from you

Tropical haven

Sunny all year round, Kuching experiences quite a lot of rainfall annually. Humidity is high with the occasional strong wind that lowers the temperature somewhat.

Festivals and Events

Steeped in traditional beliefs and rich in cultural heritage, festivals and events are held in Kuching and its surrounding areas throughout the year.

Kuching

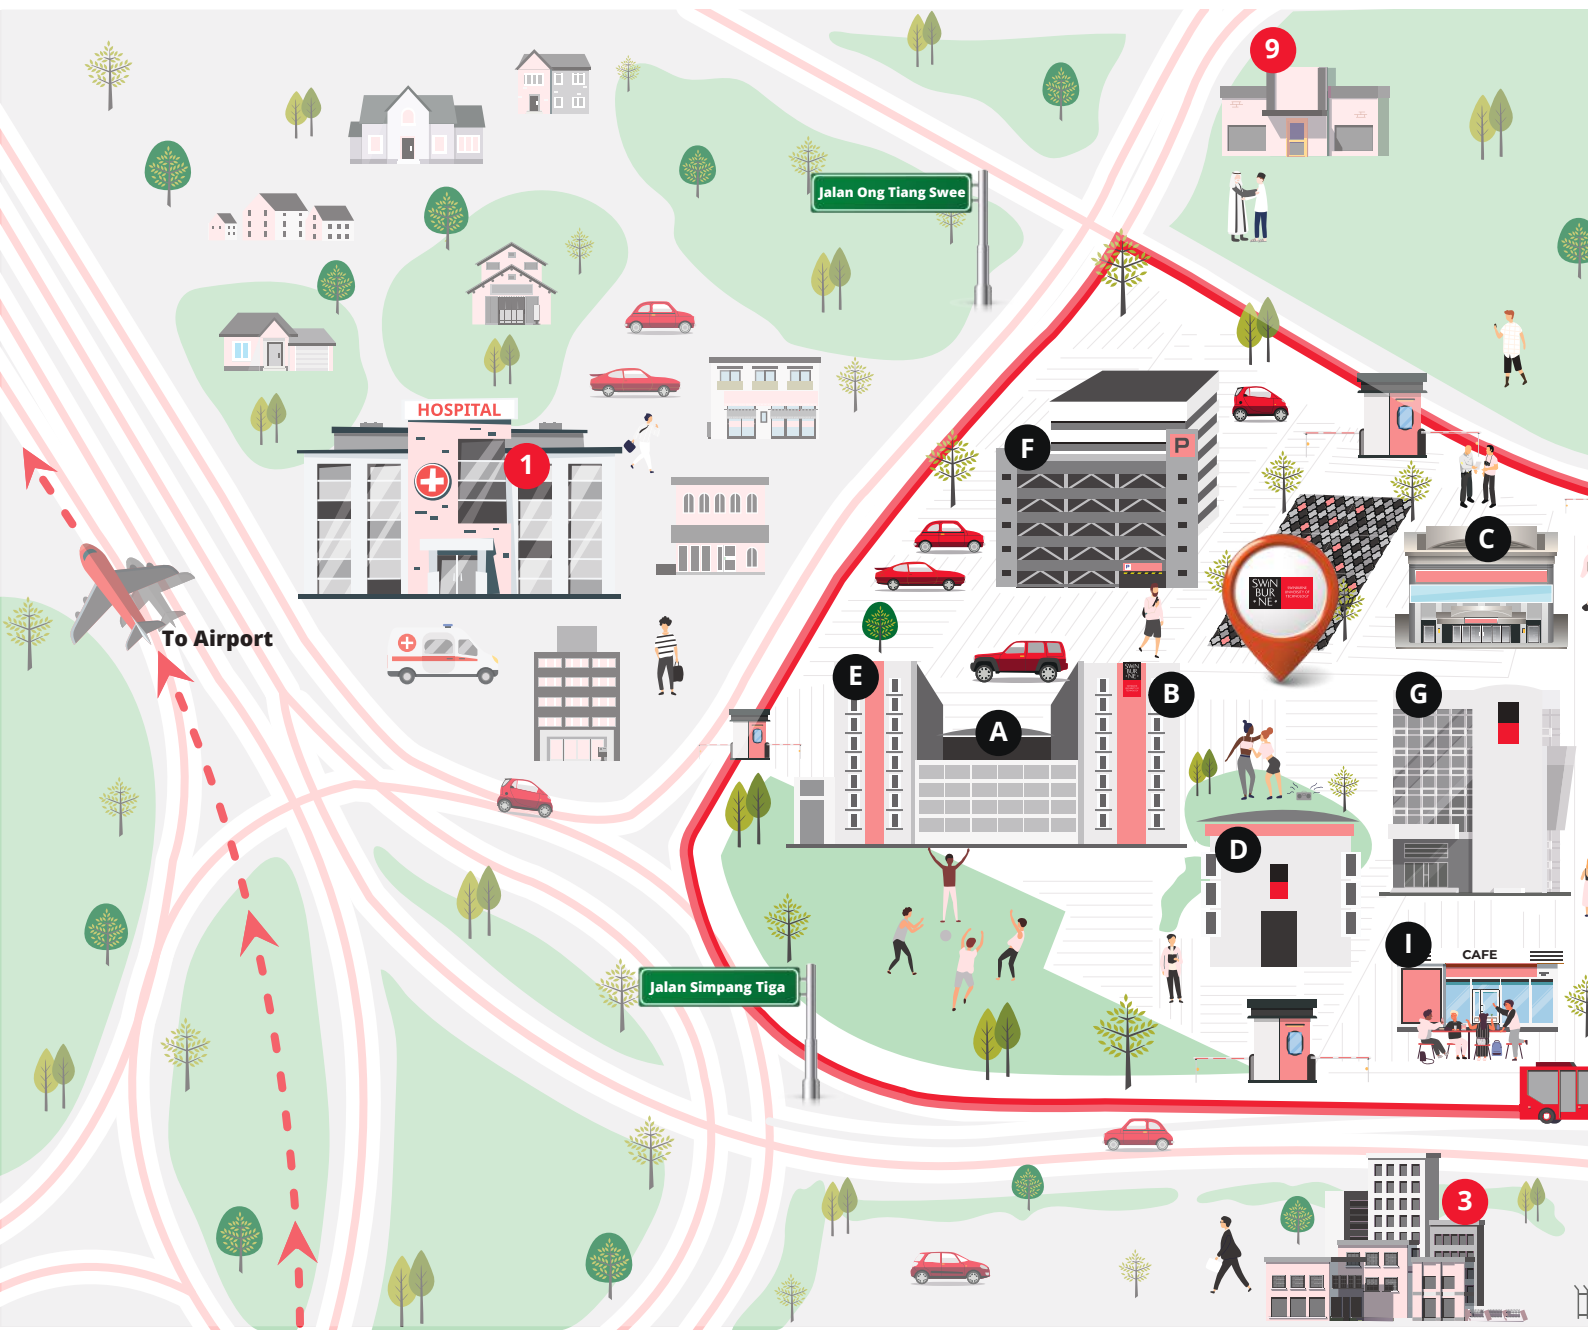

Southeast Asia's most liveable city, making it ideal for students.

The Sarawak State Legislative Assembly Building, located on the north bank of the Sarawak River.

In the Heart of Kuching

Studying at Swinburne Sarawak means studying in one of Southeast Asia's most liveable cities, famous for its relaxed lifestyles, clean environment and nature reserves.

- A** Chancellery Building
- B** Faculty of Business, Design & Arts
- C** Multipurpose Hall
- D** Lecture Theatre
- E** Faculty of Engineering, Computing & Science
- F** Multistorey Carpark
- G** Block G & Centre for Digital Futures
- H** Student residences
- I** Cafeteria
- J** Student Hub

Kuching is less than two hours flight from Kuala Lumpur (lesser if you're flying from Singapore), and being a small multicultural city, is the perfect city for quality Australian education at Malaysian costs.

The campus is home to 3,500 students and more than 300 staff. It is also a stone's throw away from a medical centre, government offices, religious houses and banks.

Apart from extensive teaching and laboratory facilities, the Sarawak campus includes:

- Student residences (expected completion mid-2022)
- A library
- Lecture theatre
- Cafeterias
- A gym and indoor sports facilities.

What's right for me: Pathway Options

The beauty of choosing Swinburne is that you get options. You can dip your toe in the water with a diploma before progressing to higher education; start your journey in Foundation studies then progress to a degree; jump into a standard three-year degree, or go straight to work after graduating from a diploma. Or you can even start your study journey now and go on to postgraduate studies – like a master or PhD – down the track.

Qualification	Foundation	Diploma	Degree	Degree with honours	Double Degree
Duration	1 year full-time	2.5 years full-time	3 years full-time	4 years full-time	5 years full-time
Entry Requirements	Successful completion of SPM or equivalent and upon meeting the minimum entry requirements.	Successful completion of SPM or equivalent and upon meeting the minimum entry requirements.	Successful completion of STPM, A Levels or Year 12 equivalents, and meets the minimum entry requirements and pre-requisite subjects.	Successful completion of STPM, A Levels or Year 12 equivalents, and meets the minimum entry requirements and pre-requisite subjects.	Successful completion of STPM, A Levels or Year 12 equivalents, and meets the minimum entry requirements and pre-requisite subjects.
Best Suits	Students seeking to pathway into a degree program in Sarawak or Australia campus.	Students seeking to upskill or enter the workforce sooner. Will also suit those seeking to pathway into a degree or take the next step in your career.	Students seeking a professional career who are ready for the next step in their education.	Students seeking a more in-depth study experience who are happy to complete a fourth year of study.	Students wishing to undertake a broad study experience across different study areas in order to achieve specific career goals.

Foundation

Foundation studies prepares you for direct entry to a bachelor's degree at Swinburne Sarawak or Swinburne Australia, as long as you meet the entry-requirements and pre-requisites. Courses are designed to help you develop fundamental communication, information technology and mathematics skills, along with specialist skills in your chosen stream.

Accounting, Accounting and Finance, and Finance major

If you wish to articulate to the Bachelor of Business (Accounting), Bachelor of Business (Accounting and Finance) and Bachelor of Business (Finance), you must achieve a minimum CGPA of 2.50 in your Foundation year.

Diploma

Career progression

Equip yourself with the latest skills and knowledge. You'll graduate prepared to get a job, progress to the next level of your career or go on to higher education.

Degrees

Learn from industry experts and embrace work-based learning.

Standard degrees

Our standard degrees are anything but. They're packed with practical skills, taught by experts in their fields and designed to give you an edge in your field of choice. They're also some of the most flexible degrees around. Sharpen your focus with a major, which will become your primary area of study.

Degrees with honours

In some degrees, you can take on a fourth year to dive more deeply into your major area and develop your research skills. At Swinburne Sarawak, our Engineering degrees have an integrated Honours year.

Double degrees

Double degrees are a great way to broaden your study experience and are highly respected by employers. Generally, they only add one extra year to a standard degree – so you get six years' worth of study in five!

What's in a standard degree?

Our degrees are made up of 24 units of study for a 3-year program and 32 units of study for a 4-year program. A unit is basically another name for a subject and you'll usually take four per semester; eight per year. These units (or subjects) largely fall into one of three categories:

Core units

Students who enrolled in a bachelor degree (regardless of his chosen major) will need to complete these units to graduate.

Major units

These specific subjects make up your specialisation, so pick a major you love!

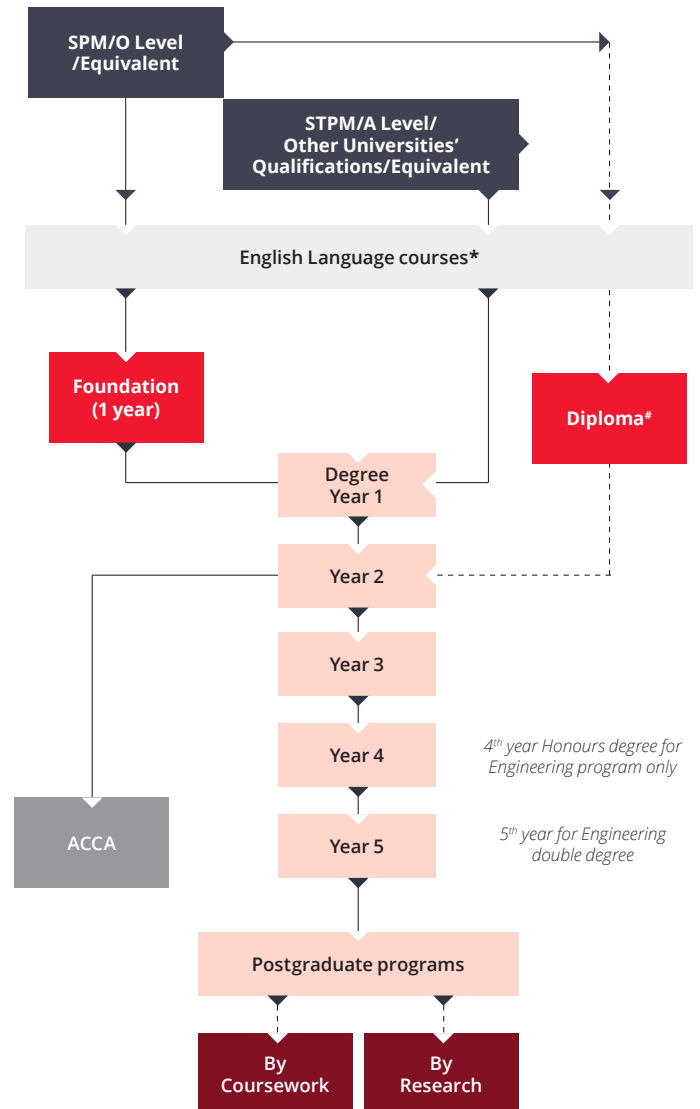

Elective units

Your remaining units can come from any areas of study. You may choose to:

- Take all the elective units from your course. You'll then end up with a second major;
- Take all the elective units from another course. You'll score a co-major;
- Take four elective units from one area to earn a minor, or
- Mix and match these elective units based on your interest.

Your pathway options

Our degrees are for 3 years, while Honours degree for 4 years and double degree is 5 years. Student can also take up the ACCA professional program in their 2nd year of study.

* students who do not meet the English Language requirement
direct entry into 2nd year degree, with exemptions

Every degree is different but, for most of our standard degrees, your ratio of units will be:

Four years (or equivalent) of tertiary education studies in a relevant discipline at a high level of achievement.

Program fees

* The indicative fee detailed above is for 2022 only. It is based on a standard study load per year. For bachelor courses, there are normally 8 units of study per year. All tuition fees are subject to an annual review and adjustment, and include all other fees such as lab, resources etc.

Additional costs

Tuition fees do not include minor equipment costs that may be incurred as part of your course (e.g. statistics calculators, some design equipment, study materials, study tour etc.)

Contact us via email at study@swinburne.edu.my for more details.

MAKING A PAYMENT FROM ABROAD?

Swinburne Sarawak uses Flywire, a secure, streamline payment solution that meets the needs of international students.

ELICOS

English Language Intensive Course for Overseas Students (ELICOS)

Our English Language Intensive Course for Overseas Students (ELICOS) programme is designed to help you improve your English language skills in preparation to study. At Swinburne, we offer the English for Academic Purpose (EAP) course.

English for Academic Purposes (EAP)

The English for Academic Purposes (EAP) course Levels 3 to 5 (Intermediate to Advanced) is designed to enhance your success in your chosen programme. The program focuses on academic language, critical thinking and academic literacy skills and aims to enhance your success in your chosen course.

Course structure

English for Academic Purposes aims to develop the English language skills needed to help you succeed at university. The program focuses on:

- preparing assignments
- taking notes and writing
- communicating in multicultural environments
- making presentations
- improving your vocabulary.

Entry requirements

Students wishing to undertake further studies at Swinburne Sarawak would need to show evidence of English proficiency. Student who do not have evidence of English proficiency can opt to sit for an English Placement test.

Scholarship and Financial Aid

Securing a Swinburne Sarawak scholarship could give you a considerable deduction off your course fees.

Start your Swinburne studies online in your home country and still be eligible for one of our scholarships and financial assistance.

We consider every application

When you apply for a Swinburne program, we automatically consider you for a scholarship. If you're successful, we'll advise you on your course application and scholarship success by email.

If you've excelled in your previous study, you could be awarded one of the many Swinburne Sarawak scholarships. Generally, the better your grades, the higher the scholarship amount will be. And if you continue to do well in your studies at Swinburne, you may be rewarded progression scholarships for your study.

Interest-free payment plan

You may also apply to pay your tuition fees over ten interest-free installments annually. A processing fee of RM100 will be charged when you apply.

This plan is available to all students pursuing their foundation, diploma, undergraduate and postgraduate degrees.

For more information, contact Marketing and Student Recruitment at study@swinburne.edu.my

Scholarship and Financial Aid

“

I was awarded a scholarship that made my education attainable. I am able to accomplish much of what I never thought possible. On top of gaining quality Australian education, I can also take any of the professional courses offered by Swinburne Sarawak while studying for my bachelor's degree.

PUTERI ARISSA BINTI ABREE
BACHELOR OF BUSINESS (ACCOUNTING AND FINANCE)

Future Proof Your Career

An industry-backed postgraduate qualification makes you indispensable in the industry of your choice. Swinburne's postgraduate study help you stand out in a competitive job market, where you gain specialised skills that help you achieve your career goals sooner.

Structured as nested suites, you can choose to undertake a graduate certificate first, continue into a graduate diploma and then go on to a Master. This gives you the option to exit with a qualification at any one of these points.

Graduate Certificate and Graduate Diploma

A graduate certificate or graduate diploma can provide specialised skills and enhance your career options. It is a great way to test an area of study before committing to a full master degree.

Master By Coursework

A Master by Coursework degree provides an in-depth overview and theoretical analysis of specific field of study or professional practice. It's the final step for anyone who has completed their graduate certificates and graduate diplomas.

Professional Qualifications

At Swinburne, we want you to be well equipped to tackle any business challenges in today's global marketplace.

Think Ahead

Our ACCA Accelerate Program help enhance your qualification when you undertake the ACCA Professional Level examinations while in the second year of your degree studies.

Students who successfully completed the Foundation in Business, Design, or IT/Multimedia can pathway into a different bachelor programs, except for Engineering program. Students who successfully completed Foundation in Engineering/Science have the flexibility to pathway into any bachelor program.

Explore Malaysia

Malaysia is made up of Peninsular Malaysia, which lies south of Thailand, and Sabah and Sarawak located across the South China Sea, in the island of Borneo.

A multicultural country of about 32 million, Malaysia's population is made up of a good mix of Malays, Chines, Indians and other ethnic groups. The national language is Malay with English being widely spoken.

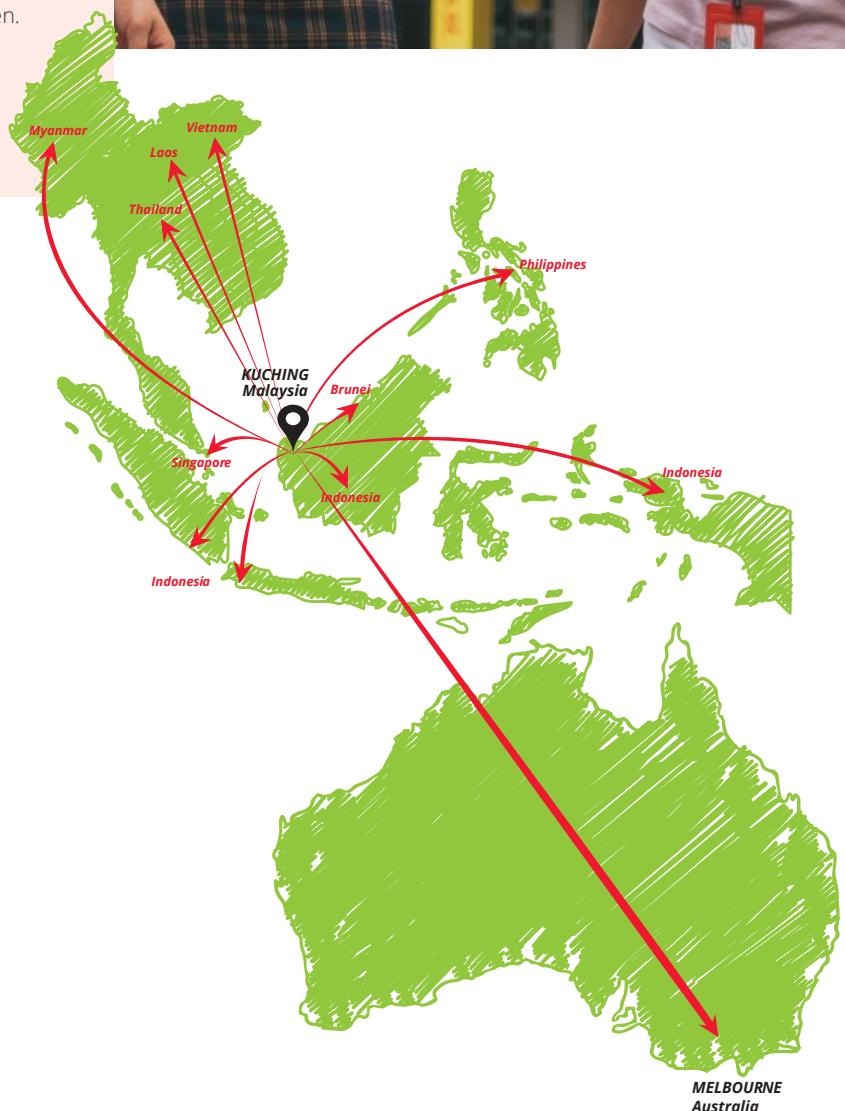

Malaysia is on of the most developed countries in South East Asia although more than 60% of Malaysia is covered by rainforest.

Well linked to the rest of the world, Malaysia boasts well-established infrastructure for banking, communication, healthcare and transportation.

Malaysia is a country of contrasts. Towering skyscrapers look down upon wooden houses and five-star hotels sit several metres away from ancient reefs. Cool hideaways are found in its highlands that roll down to warm, sandy beaches and rich, humid mangroves.

With the weather being hot and humid most of the year, relaxed and comfortable clothing is recommended.

With an education system ranked 25th by QS Higher Education System Strength Ranking 2018, Malaysia is the place for students wishing to immerse themselves into culture.
