Diploma of Digital Media Design

Course Snapshot

Intake	Duration
September	2.5 years

Swinburne's Diploma of Digital Media Design program prepares students to be media professionals for the world's digital future. It aims to equip students with hands-on digital media design skills and knowledge required by the creative industries.

Graduates will learn to produce interactive and rich media content for web, mobile, new media, digital games and interactive applications.

Upon the completion of the program, you'll be technically competent, having possess diversity of thought and exploration, and adapt well to interdisciplinary approaches where you will create a culture of risk-taking, problem-solving and team-building.
