To complete your study planner, you need to complete:

1. 8 core units, and
2. 16 discipline units.

Course Rules

- The maximum number of units to be studied as part of this award is twenty-six units or a maximum of 325 credit points.
- Students may not complete more than 125 credit points (normally 10 units) at Introductory Level. Introductory Level units have “1” as the first numerical digit in the unit code. (e.g. For ACC10007, the number “1” indicates that this is an Introductory Level unit.)
- A minimum of eight units (100 credit points) must be completed at Swinburne University. This regulation must be observed in study plans that include unit exemptions; studies completed through international exchange, cross institutional study or study abroad.
- A unit can only be counted once as part of a major or minor. Where there is an overlap of a unit, students will be required to complete a predetermined substitute unit.
- It is the student’s responsibility to ensure that the pre-requisites for each unit are met when planning for their progression in their course.

Note: You are strongly advised to keep all unit outlines and to keep track of the units that you have completed using this planner.

** All commencing students of Bachelor of Business courses will be automatically registered for the Academic Integrity Training Module (AIMFBDA) in the first semester (Note: Students articulating from Foundation Studies are expected to undertake AIMFBDA as a refresher). There are 4 topics in this online module that are recommended for completion during Week 1-4 of your commencing study period. At the end of this module, students are required to complete a quiz comprised of 10 questions and achieve a score of at least 90%.
