How to use your Course Planner

Refer to the below table to help explain what units are required each semester throughout your course. The units in your planner are colour coded to assist you with mapping out your studies.

Course Information

To qualify for the award of this course, students must complete 33 units (400 credit points) comprising of:

10 Core Units

125 credit points

A set of compulsory units you MUST complete as part of your Course.

17 Electrical and Electronic Major Units

212.5 credit points A set of compulsory units you MUST complete as part of your Course.

5 Elective Units

62.5 credit points A combination of elective units

1 Industry Placement Unit

0 credit point A compulsory, not-for-credit unit

General Studies/Mata Pelajaran Umum 0 credit points

* Compulsory units to complete as a prerequisite to graduate (see statement below)

* Advisable to enrol in Year One * Email <u>Itu@swinburne.edu.my</u> for queries

All commencing students of Master, Degree, Diploma and Foundation programs will be automatically registered for the Academic Integrity Training Module in the first semester (Note: Students articulating from Foundation Studies are expected to undertake this unit as a refresher). There are 4 topics in this online module that are recommended for completion during Week 1-4 of your commencing study period. At the end of this module, students are required to complete a quiz comprised of 10 questions and achieve a score of at least 90%.

Ministry of Education requires that all NEW Cohorts pursuing Degree program (International and Malaysian) students must take the MPU units as a prerequisite for the award of their degree.

Malaysian students: Must take and pass the units as a prerequisite for the award of their degree.

 International students: Must take and pass the units as a prerequisite for the award of their degree

Note: Semester 1 refers to Feb/Mar semester; Semester 2 refers to Aug/Sep semester
